

You work hard for your money.

We make sure it works harder.

The last thing you want when you're putting in the hard yards at work is your money just cruising along for the ride.

At Elevation Capital, we make sure your money stays on task and works every hour of every day. Kind of like boot camp for cash.

Elevation Capital is a local firm respected and awarded for their commitment to independent thinking and disciplined investing. They closely manage their clients' money through their proprietary tool; the Global Shares Fund.

From here it gets sent off to work in world-famous companies like Disney, Spotify, Heineken, Estée Lauder, Fever-Tree, Swatch, Palantir and many others.

The Elevation Capital Global Shares Fund has a long track record and has delivered net returns of +11.66% per annum over the last 5 years* for its investors.

You don't even need a huge lump sum to get involved. For an initial investment of just \$100 and as little as \$25 a month, you can get your money working harder than you. When you get a minute, let us show you how.
